Coding
HTML5 & CSS3, Sass, JS, Angular, React

Snoop Front- End UX/UI Designer May 2016 - May 2019

Multi-client across fintech, healthcare, public sector, industrial, and event-tech platforms

• Designed and built responsive websites and hybrid/native mobile apps (iOS, Android), from paper wireframes through high-fidelity prototypes, including validation with usability testing.

• Delivered production front-end using HTML5, CSS3 (Sass), Bootstrap, and Ionic; collaborated in Git-based workflows with basic JavaScript/Angular

Mobile Streams Product Manager Oct 2011 - Feb 2016

• Launched 90+ mobile products (web, WAP sites, landing pages) across Argentina, Colombia, and Mexico, managing design and IT teams end-to-end.

• Owned UI/UX for new sites, backed by analytics and benchmarking across 8+ countries.

Freelance Web Design & Front-End Coding Mar 2014 – Feb 2016

Delivered full UI design and front-end builds for independent clients — from high-fi comps to production-ready HTML5/CSS3/JavaScript sites, including Wordpress templates.

Gameloft B2C Marketing Analyst Mar 2009 – Oct 2011

Managed B2C mobile campaigns (CPM, CPC, CPA) across Nordic and Baltic markets, including mini-sites production and reporting on results.
